AGREEMENT FOR PURCHASE OF SERVICES

This Agreement is entered into by and between the Fairfax-Falls Church Community Policy and Management Team (CPMT) or the Fairfax County Department of Family Services (DFS), as the case may be, hereinafter referred to as the "Buyer" and the Provider identified above. It is understood that this entire Agreement for Purchase of Services, hereinafter referred to as the "Agreement," contains General Terms and Conditions which are to be adhered to by all parties, as well as Specific Terms and Conditions of the Addendum, if any, applicable to the services to be provided by the Provider, and a Rate Sheet. Where there exists any inconsistency between the General Terms and Conditions of the Agreement and the terms of the Addendum, if any, the provisions of the Addendum will control.

Whereas the Buyer is responsible for providing services purchased hereunder pursuant to Title 2.2-5200 - 2.2-5214 of the Code of Virginia;

(<http://lis.virginia.gov/cgi-bin/legp604.exe?000+cod+TOC020200000520000000000000>)

Whereas the Provider has established itself as a qualified provider of the services purchased hereunder and meets all applicable State and federal standards relative to those services:

NOW THEREFORE, the parties hereto do mutually agree as follows:

1. **ADHERENCE TO LAW:** This Contract is subject to the provisions of the Code of Federal Regulations, the amendments thereto, and relevant state and local laws, ordinances, regulations and pertinent health and behavioral health accreditation agencies/organizations. The Buyer may modify this Contract to comply with any requirements mandated by federal, state or local law by giving written notice of said modification to the Provider.
2. **CHOICE OF LAW AND FORUM.** This Contract shall be governed in all respects, whether as to validity, construction, capacity, performance, or otherwise, by the laws of the Commonwealth of Virginia and any action, administrative or judicial, brought to enforce any provision of this Contract shall be brought only in the Circuit Court of Fairfax County.
3. **SPECIFIC INTERPRETATIONS:**
 - A. *Waiver.* The failure of the Buyer to enforce at any time any of the provisions of this Contract, or to exercise any option which is herein provided, or to require at any time any performance by the Provider of any of the provisions hereof, shall in no way affect the validity of this Contract or any part thereof, or the right of the Buyer to thereafter enforce each and every provision.
 - B. *Remedies Cumulative.* All remedies afforded in this Contract shall be construed as cumulative, that is in addition to every other remedy provided herein or by law.
 - C. *Severability.* If any part, term, or provision of this Contract is held by a court of competent jurisdiction to be in conflict with any state or federal law, the validity of the remaining portions or provisions shall be construed and enforced as if this Contract did not contain the particular part, term or provision held to be invalid.
 - D. *Captions.* This Contract includes the captions, headings and titles appearing herein for convenience only, and such captions, headings and titles shall not affect the construal, interpretation or meaning of this Contract.

- E. *Contract Construal.* Neither the form of this Contract, nor any language herein, shall be interpreted or construed in favor of or against either party hereto as the sole drafter thereof.

4. OTHER AGREEMENTS:

- A. Any documents expressly referred to in this Agreement but not attached hereto, including among others, the Individual Family Service Plan (IFSP) and the Individualized Education Program (IEP), are incorporated by reference as part of this Agreement.
- B. In the event any provision of the Agreement for Purchase of Services is inconsistent with the placement agreement of the Provider the provisions of the Agreement for Purchase of Services will prevail.

5. ACCEPTANCE OF CSA SYSTEM OF CARE PRACTICE STANDARDS

- A. In December of 2011, the CPMT formally adopted the CSA System of Care Practice Standards. As adopted, the practice standards are guidelines used to determine what a human services professional involved with a youth with serious behavioral or emotional issues should or should not do. Standards may be defined as a benchmark of achievement which is based on a desired level of excellence. They are system of care principles put into practice, and represent our shared consensus on how youth and families should receive services. Providers are requested to participate in the System of Care and strive to adhere to the practice standards.
- B. Use of the Practice Standards: The Standards directly inform the policies, procedures and practices of existing processes, such as CSA, for coordinating services for at-risk youth and families across agencies. They form the basis of an inter-agency training plan for staff serving youth with serious emotional and behavioral issues. They provide a framework for the implementation of evidence-based treatments. Public and private youth-serving agencies are asked to integrate the Standards into their policies, procedures and practices for serving youth and families with serious behavioral and/or emotional issues, including staff training and supervision. The Standards should be considered in the design and operation of agency programs. The Standards should be incorporated into contracts with private and public providers, and disseminated to private youth and family-serving agencies and organizations. System stakeholders including the private providers will be informed of these practice standards.
 - 1) Goal: Public agency representatives and private providers engage families with the goal of safely meeting the needs of all youth while living with their families in the community.
 - 2) Team-Based Planning: Team-based planning processes encompass a variety of structures and models. A group of people, chosen by the family and connected to them through natural, community, and formal support relationships work together to develop and implement the family's plan; address unmet needs; and work toward the family's vision. Team-based planning processes include the youth and family, extended family, representatives of youth-serving agencies that provide services to the youth and family, and others who are important in the family's life or know and can access potential resources.

Best practice models for team-based planning include family partnership meetings, wraparound teams and family group conferencing.

- a) The provider shall actively participate in team-based planning processes initiated by the buyer, in order to achieve the goal of safely meeting the needs of youth while living with their families in the community.
 - b) The provider's team-based planning processes shall include the youth and family, extended family, representatives of youth-serving agencies that provide services to the youth and family, and others who are important in the family's life or know and can access potential resources, including natural and community support relationships, to the maximum extent feasible.
 - c) Provider participants in team-based planning processes are responsible to complete team roles and assignments, and make decisions in consultation with the team. Providers respect the youth and family's right to make their own decisions within legal and regulatory limits.
- 3) Cultural Competency: County, community and private agencies embrace, value and celebrate the diverse cultures of their children, youth and families and will work to eliminate disparities in outcomes. Our families receive culturally and linguistically responsive services.
- a) Providers offer essential services and planning processes to families in a language they can understand.
 - b) Providers solicit and honor families' cultural preferences within legal and regulatory limits.
- 4) Service Provision: Providers are knowledgeable of the full range of services and supports in the community. Providers implement their stated treatment model (e.g., models that are evidence-based, evidence-informed, or practice-based evidence) with fidelity.

6. QUALITY OF CARE:

- A. The Provider shall permit representatives authorized by the Buyer to conduct program, facility, and fiscal reviews/visits in order to assess service quality. Such reviews/visits may include, but are not limited to, site visits, classroom monitoring, meetings with the child(ren) & youth provided for under this Agreement, review and copying any and all records maintained on children covered by this Agreement, review of individual service plans, review of service policy and procedural issuances, review of staffing ratios and job descriptions and meetings with any staff directly or indirectly involved in the provision of services. Such reviews may occur as often as deemed necessary by the Buyer and may be with or without prior notification. The above mentioned fiscal reviews are limited to the invoices associated with specific Fairfax CPMT placed children.
- B. The Provider will ensure that the treatment/service plan is developed in conjunction with the Buyer, is consistent with, and can be expected to meet, the goals recorded in the IFSP, IEP and supporting documents. The Provider will assure that the treatment services delivered are consistent with the treatment/service plan for the child/youth and family. The provider will ensure that treatment/service plans (IFSP) for Virginia children are driven by and regularly reassessed based on the functional assessments in the state mandatory uniform assessment,

the Child and Adolescent Needs and Strengths (CANS) instrument. The Provider will ensure that the youth and the family are progressing toward the goals in the treatment/service plan and/or IEP, and will notify the Buyer's case manager if progress is not being made. The Buyer will review the procedures related to emergencies, client satisfaction and service delivery to assure implementation of all aspects of the treatment/service plan and/or IEP. The Buyer will share formal assessment of outcomes with the Provider and client perceptions of satisfaction and outcomes.

- C. In the event the Provider believes it is in the best interest of the child to relocate the daily living residence of the child, the Provider shall discuss with the Buyer's case manager the proposed relocation, the circumstances surrounding the proposed relocation, and the impact the move shall have on the child prior to any move actually being made. If the Buyer disagrees that it is in the best interest of the child, or is not in accordance with the child's IFSP, the Buyer may make alternative placement plans for the child.
- D. If the Provider is unable to discuss the relocation with the Buyer's case manager prior to its occurrence, the Provider shall notify the Buyer's case manager within twenty four (24) hours of the move or by the next business day. The Buyer may make alternative placement plans for the child if the relocation is not in the best interest of the child, or is not in accordance with the child's IFSP.
- E. Discharge planning will begin at intake and be consistent with IFSP, IEP and other supporting documents.

In the event the Provider elects to offer services not included on the Rate Sheet attached hereto, the Provider will submit to the CPMT a request to add the service. Approval from the CPMT shall be secured prior to the offering of the service. Failure to obtain such approval will result in non-payment for such services.

- A. The Provider represents and warrants that it (i) duly holds all necessary licenses required by local, state, federal laws and regulations and (ii) will furnish satisfactory proof of such licensure to the Buyer or its Representative prior to execution of this Agreement. In addition, the Provider will provide an updated copy of any applicable licenses that expire during the term of this contract within 30 days of receipt of the updated license. The Provider covenants that it will maintain its required licensed status with the appropriate governmental authorities and will immediately notify the Buyer's Contracts office at (703) 324-5551 in the event such licensing is suspended, withdrawn or revoked. The Provider agrees that such suspension, revocation or withdrawal shall constitute grounds for the immediate termination of this Agreement. Misrepresentation of possession of such license shall constitute a breach of contract and terminate this Agreement without written notice and without financial obligation on the part of Buyer to pay the Provider's invoices. If the provider's license becomes provisional as defined in Virginia Administrative Code, 12VAC 35-105-50, the Provider will notify the Buyer within five (5) business days of the date the Provider is notified by the Commonwealth of the provisional status, regardless of the reason the license was made provisional. Failure to notify the Buyer may result in immediate termination of the contract by the Buyer. The Provider will submit to the Buyer the Corrective Action Plan at the time it is provided to the Commonwealth 12VAC 35-105-170. Failure to do so may be grounds for immediate termination of the contract by the Buyer.

23. PURCHASE OF SERVICE ORDER:

- A. This Agreement, attached Addendum/a, if applicable, and attached Rate Sheet(s) contain the entire terms for purchase of services contemplated hereby, but do not obligate the actual purchase of any services. A Purchase of Service Order (PO) setting forth a description of the discrete services purchased and the duration thereof, will be presented to the Provider on a child specific basis when the Buyer chooses to purchase services. The PO will be mailed to the Provider for review, acceptance and signature indicating approval with the child specific service terms.
 - B. A Purchase of Service Order will be issued separately for the payment of services for all children/youth whose Maintenance and Special Needs services are reimbursable by Title IV-E funds. A check, separate from that issued for payment for other CSA services provided by the Provider, shall be issued to pay for the services funded by Title IV-E.
 - C. FAPT approval provides the authority for the Buyer to access CSA pool funds on behalf of CSA eligible children for specific levels and types of service within the established operating procedures of the CPMT. To commence services, Providers must be in receipt of a Purchase of Service Order. In an emergency situation as defined by the Buyer, a Letter of Authorization (LOA) will be provided by the Buyer to commence services prior to provider receipt of a Purchase of Service Order.
 - D. The Provider shall charge the Buyer only when and as authorized by the PO signed by the Buyer or its representative. The PO is incorporated into this Agreement by reference.
24. BUYER TERMINATION OF PURCHASE OF SERVICE ORDER: The Purchase of Service Order may be modified, amended or terminated by the Buyer at any time for child-related causes to include, but not limited to, changes in eligibility and changes in child progress as well as for the provision of inadequate or inappropriate services for the child. The Buyer may not terminate or adjust the Purchase of Service Order arbitrarily or without cause. In the event that the Buyer becomes unable to honor the approved PO for causes beyond the Buyer's reasonable control, including but not limited to, failure to receive sufficient federal, State or local government funds, the Buyer may terminate, amend or modify any or all Purchase of Service Orders pursuant to this Agreement as necessary to avoid delivery of service for which the Buyer cannot make payment. The Buyer or its representative shall notify the Provider immediately in writing of any cause for termination hereunder. The Buyer shall pay the Provider for any authorized services rendered prior to the Provider's receipt of notice of termination hereunder.
25. PROVIDER TERMINATION OF PURCHASE OF SERVICE ORDER: After accepting the PO, the Provider may request of the Buyer to terminate service provision to the client for child-related causes, including but not limited to, the Provider determining that the Buyer required services are not available, or not therapeutically appropriate. The Provider may not request the Buyer to terminate or adjust the Purchase of Service Order arbitrarily or without cause. The Provider must give thirty (30) calendar days advance written notice to the Buyer or its representative of any request for termination. However, in the event that a child poses an imminent safety risk to him/herself, staff, or other children, the Provider may request immediate termination of services. Services may be terminated immediately so long as the parent or legal guardian, as the case may be, the Buyer or its representative, and the Provider agree to such termination. For either a 30-day request for termination, or a request for immediate termination, the Provider must work with the Buyer or its representative to provide transition from the Provider's services.

26. INVOICES:

- A. Each month the Provider shall submit to the CPMT Payment Processing Team separate invoices for each child for units of services authorized by the Buyer and actually delivered by the Provider during the preceding month. The Provider shall not mail invoices to the case managers of the Buyer. The Provider shall mail all invoices to the Fairfax-Falls Church CPMT Payment Processing Team, P.O. Box 3406, Fairfax, VA 22038-3406.

- C. Providers are not to bill for more services than the maximum monthly number of units on the PO. Should the Provider receive a request from the Buyer's case manager for additional services for that month, the Provider shall immediately notify the CPMT Payment Processing Team at (703) 324-7397. Additional services are only authorized by an amendment to the PO.
- D. Provider invoices which are not approved will be returned to the Provider for correction or modification. The Provider promptly shall re-submit a corrected invoice.
- E. The Provider shall not charge the Buyer, and the Buyer shall in no event be responsible for, more than the rate or the maximum number of units authorized by the Buyer and specified on the PO. If services are required which are not authorized or which exceed the number of authorized units, or both, the Provider must notify the Buyer immediately and receive written authorization from the Buyer prior to rendering such services.
- F. The Buyer shall pay within forty-five (45) days after Buyer's receipt of approved invoices that have been submitted by the Provider within ten (10) days after the end of the month to which the invoice relates.
- G. In those instances where non-Virginia Medicaid medical services are provided to the client, the charges for such services shall be billed separately to a third party. If a client is placed by Fairfax County or Falls Church City Public Schools, any outside medical services shall be billed to the parents' insurance or to the parent.
- H. All outside medical services shall be approved prior to the client receiving the services, unless they are of a nature requiring immediate emergency assessment and treatment to prevent life threatening or serious debilitating medical deterioration. In the latter instance, the Provider will follow the reporting requirements set forth in Section 22, Serious Incident Reporting.
- I. The Buyer shall not be obligated to pay for services when the Provider fails to submit invoices within thirty (30) days following the month of the provision of the service. However, in those instances when the Provider seeks payment from an insurance company, or TRICARE, the 30-day requirement is suspended, provided the Provider immediately notifies the Buyer of this contingency. Within thirty (30) days following receipt by the Provider of said insurance or TRICARE payments, the Provider shall be required to submit invoices for balance due, if any.
- J. If the Provider receives Virginia Medicaid payments for services rendered under this Agreement, such payments shall constitute payment in full for those services. The Buyer will accept invoices and pay for services offered by a Medicaid enrolled Provider that are not eligible for Medicaid payment, while a child is awaiting Virginia Department of Medical Assistance Services (DMAS) determination. The Buyer will not accept or pay invoices for

Medicaid eligible services until DMAS makes their determination that those services are no longer reimbursable for a particular child. The Provider should submit a separate invoice for denied Medicaid eligible services once DMAS makes their final determination as to reimbursement for the entire month of service. At that point the service will be processed as a CSA Authorized service. A Purchase Order will be generated by the Buyer for those DMAS denied services in addition to the Purchase Order already generated for the services no eligible for Medicaid reimbursement. Payments denied due to a Provider's failure to provide authorized Medicaid eligible services, or to submit required paperwork to DMAS in a timely manner are not eligible for CSA reimbursement.

27. DENIAL OF FUNDING: Due to the need to ensure that the best interests of the child/youth are met, it is required that when the Provider is notified that Medicaid or other non-CSA funding is to be discontinued, the Provider notify the Buyer's case manager by the next business day by telephone and then in writing. The Buyer's case manager will assess the situation and may bring the case before the Family Assessment Planning Team (FAPT) to review the IFSP/case service plan. Providers will be paid for the stay, while awaiting a final decision, provided that the notification requirement to the case managers is met.
